**MECHANIC FALLS**  
**MAINE**

For The Year Ending

**DECEMBER 31, 1976**

## **IMPORTANT**

### **ALL TAXPAYERS SHOULD READ THE FOLLOWING REQUIREMENTS AND COMPLY WITH THEM**

Title 36, Section 706 of the Maine Revised Statutes Annotated 1964 requires the Assessor to give notice to bring in lists of taxable property; if no lists are brought in NO CLAIM FOR ABATEMENT.

Before making an assessment the assessor shall give reasonable notice in writing to all persons liable to taxation in the municipality to furnish to the assessor true and perfect lists of all their estate, not by law exempt from taxation, of which they were possessed on the first day of April of the same year.

The notice to residents may be given by posting notifications in some public place in the municipality or in such other way as the municipality directs.

The notice to non-resident owners may be by mail directed to the last known address of the taxpayer or by any other method that provides reasonable notice to the taxpayer.

If any person after such notice does not furnish such list, he is thereby barred of his right to make application to the assessor or the county commissioners for any abatement of his taxes, unless he furnishes such list with his application and satisfies them that he was unable to furnish it at the time appointed.

The assessor may require the person furnishing the list to make oath to its truth, which oath the assessor may administer, and may require him to answer in writing all proper inquiries as to the nature, situation and value of his property liable to be taxed in the State and a refusal or neglect to answer such inquiries and subscribe the same bars an appeal to the county commissioners, but such a list and answers shall not be conclusive upon the assessor.

In accord with the above, all resident and non-resident taxpayers are hereby requested to bring into the assessor true and perfect lists of all of their estates, real and personal, as of April 1 of the current year. The mailing of this copy of the town report to non-resident taxpayers will be considered a reasonable request as required by law.

## ATTENTION DOG OWNERS

RECEIVED

Each owner or keeper of a dog at the age of 6 months or over except dogs kept under a kennel license as provided in this section, shall, on or before January 1st, annually, or at such time as such dog becomes 6 months old, cause such dog to be licensed in the municipal clerk's office in the town where such dog is kept. Such license shall state the breed, sex, color and markings of such dogs and the name and address of the owner or keeper. (Title 7, Sec. 3451) Amended.

Whoever keeps a dog contrary to this chapter and chapters 701, 703 and 711 and sections 3603 to 3605 shall be punished by a fine of not more than \$25 to be recovered by complaint before any District Court.

## GENERAL INFORMATION

### MECHANIC FALLS

Population - 1970 Federal Census	2,193
Population - 1973 Municipal Census	2,362
Area — Approximately 11.6 Square Miles	
Altitude — Approximately 300 feet above Sea Level (Village Area) to about 600 feet above Sea Level (Pigeon Hill)	
Incorporated — March 1893 (formerly a part of Minot and Poland)	

#### Public Schools:

Water Street Elementary - Junior Primary, Grades one and two. Elm Street School - Grades three through nine. High School - Grades ten, eleven and twelve transported to Edward Little High School, Auburn, Maine.

State Valuation - 1976	17,150,000
Town Valuation - 1976	21,655,270
Tax Commitment - 1976	403,112.80
County Tax - 1975	16,855.86
Town's Debt Limit- (7½ % of Local Valuation)	1,624,145.00

Charter for present manager form of government approved by voters, after passage by State Legislature at session of 1945.

Annual Town Meeting held on third Saturday in March.

Town Council Meetings held the first Monday evening each month.

## **A REMINDER**

Resident and non resident property owners kindly bring or send to local Assessor lists of their property located within Mechanic Falls as of April 1, 1977.

Dog owners or persons keeping dogs within their household kindly submit a list of all dogs within their jurisdiction to local assessor.

It is important that Veterans, Veteran's Widows and Gold Star Widows, who became eligible for tax exemption for 1976 make their application to assessor for said exemption before April 1, 1977. Failure in meeting this time limit could mean loss of exemption for 1977.

Persons previously granted exemption, through proper application, need not reapply.

The assessor will be in session at the Municipal Offices on the first, second and fourth day of April from 9 o'clock A.M. to 3 o'clock P.M., for the purpose above stated.

## **TOWN MANAGER'S REPORT**

**COUNCIL ATTENDANCE:** The attendance at Council Meetings by the Councilmen has been outstanding for several years. Feel that it should be noted that we had twelve regular meetings and twelve special meetings during the year with attendance records as follows: Mr. Keough 23, Mr. Pierce 22, Mr. Bowlan 21, Mr. Boyd 24 and Mr. Small 6, Mr. Wing 18. Town Clerk, Adeline Keene, serves as Secretary to the Council, relieving members of the need to record action taken. Citizens are reminded that the meetings are open to the public.

**NEIGHBORHOOD YOUTH CORPS:** We continue to be very pleased with the work accomplished by the young people during the summer months. We like our slogan, "Keep the youngsters busy, and put a little money into their pockets". In return they painted several homes for the elderly, assisted with the recreation program, care of cemeteries, Municipal Building grounds and athletic fields plus working with the Public Works Department in brush cutting, policing roadsides, removing dilapidated buildings, trees and brush, cleaning catch basins and various other chores. We were authorized a few less young people this year but a twenty-six hour week was worked and collectively received about \$12,144.

**FOOD STAMP PROGRAM:** The program has leveled off. We service about one hundred and fifteen a month and approximately one-half are serviced twice a month. There is no question but that this program has been a tremendous assist to low-income families and has greatly relieved yearly welfare costs to the community.

**FINANCIAL STATUS:** We urge you to read the State Audit Report carefully and trust you will agree that our financial status is good. We do not have any outstanding bonds and another \$6,500. payment on the Municipal Complex Note will reduce it to \$26,000. The \$39,000. paid to date has come from Revenue Sharing. Our cash balance is \$69,958.03 and the Unappropriated Surplus is \$33,359.79.

**COMMUNITY SERVICE AIDE:** Servicing eight to twelve Senior Citizens a day and averaging 100 miles a day continues to help and please our elderly with their needs for

transportation and guidance to hospitals, doctors, various stores and other professionals. Any of our elderly needing this type of assistance are urged to call the Municipal Office, 345-2871.

**SURFACING:** The cost of asphalt is now almost as much as gasoline. We continue our program of applying a mix with sand cover every other year. Hopefully, next year, we will be able to surface more streets with the "skinny-mix" such as we did with Park, Jordan, Highland, Pine, Dwinal and Oak and as the State did with North, Elm, Lewiston, Pleasant and Main. These streets have not needed a treatment since.

**DISPOSAL AREA:** The authorization for an attendant under the CETA program is in effect until next September. In the meantime we must be planning to cease open burning by February of 1978. Planning and discussions continue with Andy Valley Refuse, our Regional Solid Waste Committee (Auburn, Pioneer Plastic, Minot, New Gloucester, Pineland, Pownal, Poland and Gray) Androscoggin Valley Regional Planning Commission and various contractors. New Gloucester is presenting a proposal to their Town Meeting in 1977 and Auburn and Pioneer Plastic are working out the final stages of a contract for Pioneer Plastic to use our waste to create steam. We will have decisions to make before next winter. City Officials of Auburn are meeting with our Town Council on March 7th to further prepare planning.

**SANITARY DISTRICT:** Our information is that as soon as Federal and State Funds are released, we will be one of the first to be authorized to begin construction of a Treatment Plant and interceptor lines. The Trustees meet on the third Tuesday of each month. Problems being developed at this time are a suitable location for disposal of sludge from the plant and a facility to accept septic tank waste into the system.

**STATE REVENUE SHARING:** We are advised each year what amount to anticipate and use to reduce the tax commitment. It has turned out that only once was the amount exactly what was advised; since then, one has been less and the others more. Later on in this report there is a breakdown that will indicate that we now have a surplus of \$7,203.20 which will be used to reduce the commitment in 1977.

**FEDERAL REVENUE SHARING:** A detailed report is included in the Audit and we have also included in this Report a detailed statement of activities since the program began in 1972. Initially funded for five years the program has now been extended three and a half years. We feel that we have complied with the intent and spirit of the program — improve operational procedures, equipment and services, without increasing taxes and more particularly, we have not committed ourselves to any sustaining programs that would create a serious loss of services if the program were curtailed through Congressional action.

**WINTER ROADS:** Our equipment is in excellent condition, except for the need of a new sander, and we are ready for whatever the season brings. We will match the condition of our roads with any other community at anytime.

**RECREATION PROGRAM:** The Recreation Commission is functioning well and have excellent recreational programs in operation. Volunteer organizers of the Basketball League, Little League and Babe Ruth team add a tremendous volume to activities available. We do lack volunteers to assist with the maintenance of the Skating Rink and a basketball program for the young teens, boys and girls.

**COMPREHENSIVE EMPLOYMENT AND TRAINING ACT (CETA):** At present we have authorization for four Positions that are funded by the program: Disposal Area Supervisor, Municipal Complex Custodian, Highway Equipment Operator and a Police Officer. Together with Poland and Minot we have applied for a project that would create a team to survey any boundaries and roadways that may be in question. This would employ five people and the grant would total \$44,845.84. We have also applied for a grant to hire three people at a cost of \$18,136.56 to locate, inspect, record location and condition, repair where possible and recommend corrective action relative to the many manholes in our Sewer System. Each of these projects is "one time" and cannot exceed fifty-two weeks beginning in March of 1977.

**HOECOMING WEEK:** The highlight of the summer season! Good crowds, nice parades and lots of fun. We hope the program will be continued in 1977.

**PLANNING BOARD:** The Board meets regularly on a monthly basis. Several requests for various forms of development by builders have been carefully considered with watchfulness for over-development and strict adherence to zoning, codes and ordinances.

**CONSERVATION COMMISSION:** A group dedicated to conserving and enhancing the beauty of our community. Tree care, removal of dead ones and planting of new trees — duly recorded on a map — continues each year. The new program sponsoring youngsters to the Conservation Camp at Bryant Pond for a week each summer is excellent.

**ZONING APPEALS BOARD:** Members meet faithfully, on an as needed basis, to consider variances requested to existing ordinances.

**BUDGET COMMITTEE:** Members, as in previous years, have lent their time, knowledge and interest into an honest effort to present to their fellow voters a full and comprehensive budget for consideration at their annual town meeting.

Other activities are presented later on in this report. If some point is not covered or you have any question at anytime, the door is always open.

Respectfully submitted with most sincere thanks to all,

LEON F. JONES  
Town Manager

**STATE OF MAINE**  
**DEPARTMENT OF AUDIT**  
**Augusta, Maine 04333**  
**Area Code 207**  
**Tel. 289-2201**

Board of Selectmen  
Town of Mechanic Falls  
Maine

We have examined the financial statements in accordance with Title 30, Revised Statutes, Section 5253 of the Town of Mechanic Falls for the year ended December 31, 1976, listed in the foregoing table of contents. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The aforementioned statements have been prepared in accordance with the provisions of Title 30, Revised Statutes, Section 5253 and do not present either financial position or results of operations in conformity with generally accepted accounting principles.

In our opinion, the aforementioned statements for the year ended December 31, 1976, present fairly the information contained therein, in conformity with the provisions of Title 30, Revised Statutes, Section 5253, applied on a basis consistent with that of the preceding year.

**RODNEY L. SCRIBNER, C. P. A.**  
**State Auditor**

January 21, 1977

## COMMENTS

---

---

The following comments pertain to the accompanying financial statements:

ASSETS . . . . The general cash balances was \$69,958.03 at the year end. The bank balance used in reconciling this amount was confirmed by the depository. Petty cash funds of \$137.00 were counted.

Federal revenue sharing investments of \$22,755.26 were invested in a certificate of deposit in a local area bank.

Accounts receivable of \$1,959.00 consisted principally of reimbursements for services and materials.

Taxes receivable totaled \$68,971.79 at December 31, 1976. Current year uncollected taxes amounted to \$64,074.03 and \$4,897.76 was for delinquent taxes dating from 1970. Other general fund assets included tax liens and tax acquired property of \$14,012.01 and \$130.30 respectively.

LIABILITIES, RESERVES AND SURPLUS . . . . The department accounts showed a net unexpended departmental balance of \$125,379.01 carried forward to the ensuing year in accordance with legal requirements and/or customary practice.

The excess of actual state revenue sharing over estimated totaling \$7,203.20 was carried forward to be applied toward the 1977 tax commitment.

Federal revenue sharing entitlement payments for the year amounted to \$37,788.00. Interest earnings credited to the fund totaled \$2,475.30. Appropriated federal revenue sharing funds of \$40,836.00 were transferred to the towns operating accounts for public safety, social services, recreation, financial administration and debt retirement purposes. Unappropriated funds totaled \$11,653.85 at the year end. It should be noted that the amount of \$11,101.91 is due the general fund.

The amount of \$22,500.00 authorized to be used from an-

ticipated federal revenue sharing funds for a tax equalization program was arranged during the audit period and is reflected in the appropriation of federal revenue sharing funds for financial administration purposes. A bid of \$18,990.00 was accepted and the program was complete as of December 11, 1976.

The unappropriated surplus amounted to \$33,359.79 at December 31, 1976. There was no change in this amount during the year.

**DEBT FUND . . .** The long term debt reflects notes payable of \$32,500.00 issued in connection with the municipal complex project. This obligation is to be retired during the ensuing five years.

**TRUST AND RESERVE FUNDS . . .** Funds held in trust by the town for cemetery care, library, park and monument, and needy children purposes totaled \$3,500.26 and were on deposit in a local bank.

Special funds totaling \$11,356.57 designated for capital improvements, 75th Anniversary, and community building management committee purposes were on deposit and/or invested in certificates of deposits in a local bank.

## **GENERAL**

The use of overlay and revenue derived from excise taxes for operational purposes were voter authorized at annual and special town meeting. The townspeople authorized appropriations from federal revenue sharing funds for various operating and debt service purposes.

**RECOMMENDATION . . .** The following recommendations is worthy of consideration:

Supplemental taxes should be committed to the tax collector in accordance with Title 36, Section 713, Maine Revised Statutes Annotated of 1964.

## THE RESURRECTION

MINISTER: Now is Christ risen from the dead, and become the first fruits of them that sleep.  
CONGREGATION: For as in Adam all die, even so in Christ shall all be made alive.

MINISTER: As we have borne the image of the earthly, CONGREGATION: We shall also bear the image of the heavenly.  
MINISTER: For there are celestial bodies and bodies terrestrial; CONGREGATION: But the glory of the celestial is one, and the glory of the terrestrial is another.  
MINISTER: There is one glory of the sun, and another glory of the moon, and another glory of the stars; CONGREGATION: For one star differeth from another star in glory.  
MINISTER: So also is the resurrection of the dead; CONGREGATION: It is sown in corruption; it is raised in incorruption; MINISTER: It is sown in dishonor; it is raised in glory; CONGREGATION: It is sown in weakness; it is raised in power; MINISTER: It is sown a natural body; it is raised a spiritual body.  
CONGREGATION: If thoro is a natural body, thoro is also a spiritual body.

MINISTER: Howbeit that is not first which is spiritual, CONGREGATION: But that which is natural, then that which is spiritual.

MINISTER: The first man is of the earth, earthly; CONGREGATION: The second man is of heaven.  
MINISTER: As is the earthly, such are they also which are corruptible; CONGREGATION: Neighbor doth corruptible incorruption; MINISTER: I show you a mystery; CONGREGATION: We shall all be changed; MINISTER: Behold, I shew you all shall be shallop, but w

CONGREGATION: The second man such as the earthy ones which are now

MINISTER: Neither doth corruption inherit incorruption.

MINISTER: Behold, I show you a mystery: We shall not all sleep, but we shall all be changed.

MINISTER: For this corruptible must put on incorruption, And this mortal must put on immortality.

MINISTER: So when this corruptible shall have put on incorruption, And this mortal shall have put on immortality,

MINISTER: Then shall be brought to pass the saying that is written, CONGREGATION: Death is swallowed up in victory.

MINISTER: O death, where is thy sting?

CONGREGATION: O grave, where is thy victory?

MINISTER: The sting of death is sin; and the strength of sin is the law.

CONGREGATION: But thanks be to God, which giveth us the victory through our Lord Jesus Christ.

#### EASTER FLOWERS

#### IN MEMORY OF

Lillian Sevory--husband Cony and daughter Esther Hill  
Laura Nolson--Mr. & Mrs. Austin Nolson  
Prudence Stanton--husband Donald Elsio Hanscom--husband Harold

Mr. & Mrs. Norm Faunce--his mother Floronice Berry

Signature of Taxpayer. If  
signed on behalf of corp-  
oration, please state  
capacity.

2. Personal property:

Check items owned or in possession and subject to taxation in the municipality in which this return is filed:

- a. Stock in trade (wholesale and retail inventories) \_\_\_\_\_
- b. Industrial Stock (raw materials, unfinished and finished goods) \_\_\_\_\_

LIST OF ESTIMATES - p.2

C. Machinery and equipment (industrial, mercantile, farm, etc.)

d. Watercraft-Sail, inboard or outboard

e. Wood, lumber or logs (not included in a or b)

f. Furniture and fixtures-store, office, commercial

(if additional space is required, use and attach blank sheet)

Have any of the buildings listed been constructed or altered  
since the previous April 1? Yes      No     

If so, identify building and give brief description of construction

2. Personal Property:

Check items owned or in possession and subject to taxation in the municipality in which this return is filed:

a. Stock in trade (wholesale and retail inventories) \_\_\_\_\_

b. Industrial Stock (raw materials, unfinished and finished goods) \_\_\_\_\_

b. Industrial Stock (raw materials, unfinished and finished  
Goods)

g. Livestock

h. Tractor - Bulldozer

i. Mobile Home

j. Camper Trailer

k. Leased equipment of any kind

\*Use blank sheets to list all individual items subject to taxation.

\*The foregoing is submitted in compliance with Section 706 of Title 36 of the Maine Revised Statutes and is true and correct to the best of my beliefs as of April 1 of the current year.

I understand that the assessor may require me to make oath of the foregoing; and that he may require me to answer in writing all the proper inquiries as to the nature, situation and value of any property liable to be taxed in the State of Maine; and that a refusal or neglect to answer such further inquiries and subscribe the same will bar any appeal.

## REPORT OF THE LIBRARIAN

To The Citizens of Mechanic Falls:

The library circulation has increased this year. Evening hours on Wednesday have proved satisfactory, and more convenient for many people. Students who wish to find reference books, or need assistance, will find these evening hours useful.

Large print books are available through the library. The variety in books is good, and they are free to any library patron. The books are mailed postage free, from the state library.

Space does not permit listing the names of all those who have donated to the library. One hundred twenty five books have been added this year, in gifts from library readers. Many of these are current books, and they are greatly appreciated.

Some sections of the library interior have been painted, and more will be done in the spring. Paint has been purchased for the exterior of the children's room, which will also be done soon.

The Bi-centennial display of old photographs in the library was well attended. Many of these are very old, all pictures have been donated through the years.

It has been a very pleasant year, meeting many new residents, and adding to the library patronage. Thank you for your support, and I hope it will be a busy year.

Respectfully Submitted,

DOROTHY M. ROLLINS  
Librarian

## COMMUNITY SERVICE AIDE

### Senior Citizen's Transporation and Services

Social Security Office	27 Trips
Library Books, Nursing Home	9 Trips
Shopping, Bank, Drug Store, etc.	711 Trips
Health & Welfare Office	17 Trips
Hospitals (CMMC, St. Mary's, Stephens)	115 Trips
Doctors, Medical & Eye (Lewiston, Auburn, Poland, Norway & So. Paris)	721 Trips
Visual Handicapped School	88 Trips
Nursing Home Visits	140 Trips
Pick up and deliver dinners from Lewiston to Legion Home	42 Trips
Return dinner containers to Lewiston	49 Trips
Hairdresser and Barber	57 Trips
Delivered Absentee Ballots to homes	11 Persons
Assisted with tax refund forms	10 Persons

Records indicate an average of 8 to 12 folks a day and a mileage average of about 100 miles a day.

It has been my pleasure to again work with the Senior Citizens. Hopefully we have made their days more pleasant and comfortable.

Respectfully submitted,

RUTH E. JONES  
Community Service Aide

### BUILDING INSPECTOR REPORT

As your building Inspector I would remind the Citizens that a building permit is required for any construction or alterations that will cost \$500.00 or over. This is to aid the Assessor in keeping updated cards on all properties. Also, permits must be obtained to demolish any existing buildings. All Mobile Homes require permits. Building Permits may be obtained at the Municipal Building. The number of building permits granted in 1976 were as follows:

- 7 New houses
- 9 Garages
- 11 Remodeling
- 6 Storage Buildings
- 3 Mobile Homes
- 6 Additions
- 2 Swimming Pool

**LEONARD HARRIMAN**  
Building Inspector

### **PLANNING BOARD**

Planning Board Members had 12 meetings. First half year was not well attended, but with appointment of new members last half was successful.

We worked on Comprehensive plan. Several sub-division applications however none were accepted. Reviewed Building code and Road Construction of the town. We sincerely believe in our work and appreciate the cooperation of citizens of the town. We are an appointive board who meet the last Thursday of every month. If there are any who would like to attend our meetings, they would be welcome.

**MICHAEL BAIRD,**  
Chairman

### **1976 Electrical Inspector Report**

There have been forty inspections this year. Of these inspections only two were questionable and were corrected and approved at a later date. People needing Electrical permits should contact the Municipal Building or Rudolph Kyllonen Sr. Elm St.

Respectfully submitted  
**RUDOLPH KYLLONEN**

### **Health Officers Report**

I have made six inspections this past year due to complaints. I would like to remind the citizens of Mechanic Falls that it is

a State Law that all communicable diseases be reported to the Health Officer IMMEDIATELY. I would appreciate more co-operation in this area.

HAROLD TIBBETTS  
Health Officer

## CONSERVATION COMMISSION REPORT

For the fourth year in a row Mechanic Falls participated in the Shade Tree Program. The state reimbursed 50% of what we spent for shade trees. The reimbursement money can be spent on any part of the tree program. We used the reimbursement money for tree and stump removal. Forty Four trees were planted.

Our appropriation was \$2000. and we received \$900 reimbursement from the State. We also received a \$100 gift from MacDonalds' toward the program. This check has not been used and will cover our overdraft for 1976.

We paid \$2350. to Whitney Brothers of Gray for planting, pruning and feeding. Tree & stump removal by Gary Durgin at a cost of \$1285.00

You will find a breakdown of this account in the Municipal Accounts report.

Our account shows an overdraft of \$36.40 due to the oversight of the MacDonald \$100. This has been deposited in the Tree Account as of the first of the year, so we will show a balance of \$63.60.

About ten years ago the first trees were planted when it became evident that many of our trees were in need of attention and many were dying, particularly the Elms. Thelma Murray and C. Ray Bunker were two of the prime movers in this effort. Each year since then the Town has seen fit to appropriate money for tree planting and upkeep to assure that our streets would have shade and beauty. Some of our neighboring cities and towns were not as far sighted and now have streets without trees.

We are very grateful to the Town for the manner in which

they have supported our Tree Program. Ray Bunker the Tree Warden, has, largely been responsible for the program.

Two Commission Members attended a Natural Resources Inventory map making course in Yarmouth, and the maps in the construction phase. A special Tree Map, showing types & plantings is partially completed.

The Commission voted to sponsor a Mechanic Falls eighth grade Student to the Maine Conservation School at Bryant Pond, Maine for a week in August. The Cost was \$40.00. The American Legion Post #150 very generously sponsored two students and the Lion's Club also sponsored one. Two students were sponsored in the memory of Robert H. Carsley. The students attending were Linda Leclair, Beth Cantrel, Debbie McNally, Charles Manchester, Roger and Scott Malcolm. Candidates were selected by the Conservation Commission on the basis of applications they filled out, stating the reasons they wished to attend. The students reported on their week at camp to the sponsoring organizations.

Monthly meetings are held on the second Tuesday of the month at 7 P.M. at the Municipal Building. The public is invited to attend. If anyone is interested in serving as an Associate Member, they are asked to contact the Commission Chairman.

Anyone with suggestions for projects for the Commission should contact one of the members. If anyone wishes to have a tree planted, street side only, they should contact the Town Office or Ray Bunker. Permission forms are at the Town Office.

## REPORT OF THE BUREAU OF CIVIL EMERGENCY PREPAREDNESS

To The Town Manager

During the year the usual on-going programs were continued to retain eligibility for the various federal funding program.

This included continuing participation in monthly radio communications drills, and radiological detection activity. With regard to the latter, when a blanket of radioactivity overpassed the United States last year, radiological readings were taken more frequently to keep track of possible serious levels of radiation, but the level remained out of the danger area.

A rescue truck, offered to the town by County BCEP when it was no longer needed at the Auburn-Lewiston Municipal Airport, was accepted through the excess property program, and assigned to the Mechanic Falls Rescue Unit.

BCEP personnel who are members of the Rescue Unit underwent training during the year in Advanced First Aid and Emergency Care.

Additional project applications for federal funding were approved and funding obtained during the year. This included crystals for a radio in one of the police cruisers on the BCEP frequency utilized as a local government frequency; and funding for a radio for the second police cruiser on the same frequency.

The funding for these two items totaled \$229.92.

The federal matching fund program for such items as communications and office equipment, has existed since 1950, but Mechanic Falls received no funding under the program until 1973. Since the first project application was approved in 1973, the town has received \$2,418.73 in federal BCEP matching funds for various equipment purchased and assigned to the town office, BCEP emergency operations center, fire department and police department.

During the coming year it is hoped the antenna system for

the BCEP radio net can be improved, and a complete review of the municipal emergency operations plan will be undertaken.

At years-end, application had been submitted to the Federal Communications Commission, to expand the radio license to permit the addition of more mobile, portable and base units to allow future expansion of the system.

During the year the town purchase several radios approved at the last town meeting, for installation in municipal public works vehicles and school buses. The addition of these radios virtually completed the municipal communications plan as prepared by this Bureau.

It is now necessary to spend time during the current year on an update of the Emergency Communications Planning Report (ECPR) to determine what additional emergency communications needs the town might face.

The existence of the ECPR is also one of the requirements for federal funding eligibility. During the past year the ECPR had to be twice amended to assure receipt of the funds requested.

Appreciation is expressed to the Mechanic Falls Fire Department, the Police Department, BCEP rescue personnel and members of the BCEP staff, for their support and assistance during the year. An expression of appreciation is also due the county and state BCEP staffs for their guidance and aid.

EDMUND A. MacDONALD  
Director, BCEP

### **Report of Fire Chief — 1976**

The year 1976 showed an increase in calls over 1975 of 33. The major increase was in the area of Resuscitator/Rescue calls, which was an increase of 45 calls. Building fires increased by 2, while other calls either dropped or stayed about the same. For example, grass and woods fire calls were 19 in 1975, and dropped to 7 in 1976. Following is a list of calls for 1976.

Building fires	12
Town Dump	16
Accidents	3
Flooded oil burner	8
Wall fires	4
Salvage calls	4
Grass & woods	7
Car fires	3
Boiler room fire call	1
Alarm system trouble	7
Care of Equipment	3
Mattress fire	1
Res./Rescue calls	66
False Alarms	6
Smoke in building	1
Needless call	1
Chimney fires	8
Cellar fire calls	4
Trailer fire calls	2
Mill dump	1
Wash gas	3
R. R. Trestle fire	2
Aid to Auburn	7
Electrical fire	1
Putting on chains	1
Other misc. calls	7

The above total being 179 calls. Also it should be pointed out, that the members of the fire department put in 965 man hours of work, that they received no pay for. This was in the area of training, equipment maintenance, station cleaning and includes the above listed 66 rescue calls.

In closing, we would like to take this time to thank the Town Manager, Town Council, Budget Committee, Police Department and all others who have given time and effort throughout the year to help us endeavor to do the best job possible.

Respectfully Submitted

## REPORT OF THE POLICE DEPARTMENT

To Town Manager:

Submitted herewith is a report of the activities of the Police Department for the year ending December 31, 1976.

	1976	1975
Complaints	1802	1829
Criminal Charges	115	62
Traffic Summons	280	173
Motor Vehicle Accidents (Reportable)	44	55
Unattended Deaths	3	2
Total miles traveled — 59,465		

Odometer readings as of December 31, 1976:

FORD 111,357

PLYMOUTH 65,680

1976 proved to be an extremely busy year. Although the total number of complaints decreased slightly from 1975, the total number of criminal and traffic charges increased sharply. A 54% increase in criminal charges resulted and 62% increase in traffic offenses was noted. The reasons for this sharp increase is because of the willingness of citizens to report crimes, their willingness to participate in criminal prosecution of defendants and a police department willing and wanting to do the job. Another reason for these increases is due to the 63%

increase of reported suspicious activities. These impressive statistics illustrate the overall awareness of citizens and their apparent increasing support of their police department.

Both police cruisers are now fully equipped with the state-wide radio communication system. These radios are equipped with eight channels which provide this department with instant communication to other police agencies as well as our local government radio (Town frequency). It should be noted that these radios were funded under LEAA.

In May, 1976, the new criminal code became effective. This new code has removed much of the vagueness and generalizations of the old criminal laws. Due to the alarming increase of crime within the State of Maine, the legislature has begun to take affirmative action to give law enforcement officials the necessary laws to better serve the people they serve. Traffic and criminal laws have been revised and the 1977 legislature will be revising the juvenile laws.

I am pleased with the sharp decrease in vandalism. In 1975 there were 177 reported complaints and in 1976 there were only 64 reported complaints. This substantial decrease speaks well of the Towns youth. More youth oriented activities are needed in town.

It is my hopes that in 1977, intensive community programs will be on-going. These programs will include CRIME CHECK, BICYCLE SAFETY, AND various SCHOOL PROGRAMS.

Respectfully Submitted

BRAD J .BUCK  
Chief of Police

REPORT  
OF  
SCHOOL  
DEPARTMENT

## **REPORT OF THE MECHANIC FALLS SCHOOL DEPARTMENT**

TO: The School Committee and Citizens of Mechanic Falls.

This is my first annual report.

### **PERSONNEL CHANGES**

Mr. Roland E. Decoteau, your Superintendent for the past eight years, retired in April. Mr. Frederick H. Andrews, Jr., was appointed to the position.

Mrs. Patricia Quinn was hired to replace Miss Aubert in the Jr. High grades at the Elm Street School.

Miss Nancy Penna was hired for the vacant Music Position. Her time is shared with Poland on a 50/50 basis.

Mrs. Phyllis Stone, a former volunteer aide, and Mr. Ronald LaBerge were hired for Teacher Aide/Associate vacancies.

Mrs. Joan Gurney is the new bus driver on Bus Route 4.

### **MAINTENANCE PROJECTS**

At the Elm Street School, two small portable buildings were purchased and set at the end of the Elementary Wing. These have relieved the congestion of the interior storage room so that a portion of this space has been turned into a small group instruction center. Partial costs of the outside storage buildings was obtained through the funds remaining in the Mechanic Falls School District Trustees account. The instruction center was made possible by the P. T. O. furnishing all materials, donated labor, and carpeting furnished and laid by Charlie's Flooring. We all appreciate the thoughtfulness of all who contributed to this endeavor.

The corridor walls and ceilings were painted.

At the Water Street School, general cleaning, and glass replacement was done.

## SELF-EVALUATION

The Self-Evaluation project which began in September, 1975, was completed late in the Spring. This was a community project to evaluate the strengths and weaknesses of the School Department. Members of the staff and school committee and many citizens spent long hours examining the many facets of education in Mechanic Falls. We wish to thank everyone for their contributions to the process. Copies of the final report are available at the schools or the Superintendent's Office.

## TRANSPORTATION

The School Department received a new 66 passenger bus in the early Fall. Each of the buses have been equipped with two-way radios by the Civil Emergency Preparedness Office. These have saved much time during minor mechanical problems occurring on the road.

With the new bus a new route was established to reduce overloads on the vehicles. The School Committee authorized expansion of service for the secondary school students by expanding routes to include students in the outlying area. A noon kindergarten run was also instituted.

## SCHOOL FINANCE

The transition period necessary for the School Department to go to a July 1-June 30 fiscal year has been completed.

The Legislature during the Special Session reexamined the School Finance Law and made changes for improvement. The major changes subsidized Special Education and Transportation costs at a 90% rate. The mill rate was lowered under the Uniform Property Tax. It can be expected that the 108th Legislature will produce some legislation making changes again.

## CURRICULUM

Our new music teacher has introduced classroom music as well as the instrumental music.

The Kindergarten returned to half-day sessions in September. It is felt that these youngsters have and will benefit

from this schedule.

New up-dated mathematics textbooks were purchased for grades K-8.

## SPECIAL EDUCATION

The Speech Therapy program is assisting several children who have speech problems. Many with minor deficiencies have been helped and others with severe problems are being gradually corrected.

Our learning disabilities teacher is working with students needing this type of service. Remediation and intensive work in weak areas assists students in overcoming their learning problems.

## COMMUNITY SCHOOL DISTRICT STUDY

The study with Poland and Raymond has been temporarily shelved. It is anticipated that this study by the School Committees will begin again shortly. As the study continues it is expected that your School Building Committee will assist.

## MECHANIC FALLS SCHOOL COMMITTEE

WARRANT  
FOR  
TOWN  
MEETING

1977

**WARRANT FOR TOWN MEETING**

State of Maine

County of Androscoggin

To: Leon F. Jones, a Constable of the Town of Mechanic Falls,  
Maine

Greeting:

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of said Town of Mechanic Falls, qualified to vote in town affairs, to assemble at the Municipal Auditorium, in said town, on Saturday, the 19th day of March, A. D., 1977 at nine o'clock in the forenoon, then and there to act on articles numbered 1 to 65 inclusive; and to notify and warn said voters to meet at the Alumni Room in the Municipal Building at one o'clock in the afternoon, then and there to act on article number 65, all said articles being set out below, to wit:

**ARTICLE 1.** To choose a moderator to preside at said meeting.

**ARTICLE 2.** To see if the town will vote to adopt the "Maine Moderator's Manual" as prepared by the Maine Municipal Association, as the parliamentary procedure at town meetings.

**ARTICLE 3.** To see if the town will fix a date when taxes shall be due and payable, and to see if the town will fix a rate of interest to be charged on taxes unpaid after said date. (Recommended that taxes be due and collectable December 1st and that interest of 12% per annum be charged on all unpaid taxes retroactive to October 1st).

**ARTICLE 4.** To see if the town will vote to authorize the Town Council to apply the amount of overlay, as determined by the Assessor, to the Contingent Account.

ARTICLE 5. To see if the town will vote to authorize the School Committee to accept non-resident secondary students on a tuition basis.

ARTICLE 6. To see if the town will vote to authorize the Town Council to appoint a Budget Committee, consisting of seven citizens from different sections of the town to serve without pay and to hold and conduct meetings preliminary to and in anticipation of the Annual Town Meeting, for the purpose of reviewing town affairs and making recommendations

ARTICLE 7. To see if the town will authorize the Town Councilors, in behalf of the town, to sell and dispose of any real estate acquired by the town for non-payment of taxes thereon, on such terms as they may deem advisable, and execute quit-Claim deeds for such property.

ARTICLE 8. To see if the town will vote to authorize the appropriate officers of the town to apply for and accept without limit such Federal or State Funds as may become available, on such terms and conditions as said officers may consider proper.

ARTICLE 9. To see if the town will vote to authorize the Town Council to take the balance of Excise Tax Receipts and apply to the Contingent Account except any amount needed for Winter Roads.

ARTICLE 10. To see if the town will vote to set the salary of the Town Council as follows: Chairman, \$500.00 yearly and Councilors, \$400.00 each, yearly. (Budget Committee so recommends).

ARTICLE 11. To see if the town will vote to authorize the Town Council to approve payment of bills pertaining to Care of Cemeteries, Industrial Development and other bills pertaining to emergencies and unforeseen expenses that they deem necessary from the Contingent Account.

ARTICLE 12. To see what sum of money, if any, the town will vote to raise and appropriate for the Mechanic Falls School Building Committee to carry out its responsibilities. (Budget Committee recommends \$1,293.80 from unexpended balance.

ARTICLE 13. To see if the town will vote to appropriate from surplus in Supplemental Taxes \$847.45. (Budget Committee so recommends, to reduce the Tax Commitment)

ARTICLE 14. To see what sum of money, if any, the town will vote to raise and appropriate for Municipal Planning. (Budget Committee recommends \$228 from unexpended balance).

ARTICLE 15. To see what sum of money, if any, the town will vote to raise and appropriate for the support of the Bureau of Civil Emergency Preparedness. (Budget Committee recommends \$900.00. \$79.52 from unexpended balance, \$820.48 by taxation).

ARTICLE 16. To see what sum of money, if any, the town will vote to raise and appropriate for Regional Planning. (Budget Committee recommends \$737. by taxation).

ARTICLE 17. To see what sum of money, if any, the town will vote to raise and appropriate for the Care of Trees, Tree Mapping, and Conservation Camp. (Budget Committee recommends \$2,000. by taxation).

ARTICLE 18. To see if the town will vote to continue the services of the Community Service Aide, now funded until June 1st, 1977, to June 1st, 1978 and appropriate \$7,671.04 from anti-recession funds. (Budget Committee so recommends).

ARTICLE 19. To see what sum of money, if any, the town will vote to raise and appropriate to pay its share of the State Retirement Plan now in effect. (Budget Committee recommends \$5,200.00; from unexpended balance \$876.10 and \$4,323.90 by taxation.)

ARTICLE 20. To see what sum of money, if any, the town will vote to raise and appropriate for the Task Force on Human Needs. (Budget Committee recommends \$219. from Revenue Sharing).

ARTICLE 21. To see what sum of money, if any, the town will vote to raise and appropriate for the Contingent Account for the ensuing year. (Budget Committee recommends

\$24,376.63 from unexpended balance.)

ARTICLE 22. To see what sum of money, if any, the town will vote to raise and appropriate for Sewer Maintenance. (Budget Committee recommends unexpended balance of \$460. be transferred to Sewer District Trustees.)

ARTICLE 23. To see what sum of money, if any, the town will vote to raise and appropriate for the support of the Fire Department for the ensuing year. (Budget Committee recommends \$20,994; \$3,000. from Revenue Sharing for new fire hose and \$17,994. by taxation.)

ARTICLE 24. To see what sum of money, if any, the town will vote to raise and appropriate for Androscoggin Home Health Service, Inc. in Mechanic Falls for the ensuing year. (Budget Committee recommends \$877.00 from Revenue Sharing.)

ARTICLE 25. To see what sum of money, if any, the town will vote to raise and appropriate for General Administration, Officer's Salaries and Office Expense for the ensuing year. (Budget Committee recommends \$49,607.57; \$1,099.30 from unexpended balance; \$48,508.21 by taxation.

ARTICLE 26. To see what sum of money, if any, the town will vote to raise and appropriate for the support of the Public Library for the ensuing year. (Budget Committee recommends \$3,000.00; \$761.40 from unexpended balance; \$2,-238.60 by taxation.)

ARTICLE 27. To see what sum of money, if any, the town will vote to raise and appropriate for the Tri-County Mental Health Service. (Budget Committee recommends \$877. from Revenue Sharing).

ARTICLE 28. To see what sum of money, if any, the town will vote to raise and appropriate to support Colby-Bates-Bowdoin Public Television project. (Budget Committee recommends \$200.00 from Revenue Sharing).

ARTICLE 29. To see what sum of money, if any, the town will vote to raise and appropriate to pay its share of Social Security. (Budget Committee recommends \$5,622.31; \$2,-

122.31 from unexpended balance and \$3500.00 by taxation.)

ARTICLE 30. To see what sum of money the town will vote to raise and appropriate for the payment of Interest on Tax Anticipation Notes. (Budget Committee recommends \$3,928.27 from unexpended balance.)

ARTICLE 31. To see if the town will vote to raise and appropriate \$6,500.00 from Revenue Sharing for the payment on the Municipal Complex note and \$1,706.25 from the Contingent Account for the interest thereon. (Budget Committee so recommends).

ARTICLE 32. To see what sum of money, if any, the town will vote to raise and appropriate to support the Maine Publicity Bureau. (Budget Committee makes no recommendation).

ARTICLE 33. To see what sum of money, if any, the town will vote to raise and appropriate for Surfacing Highways for the ensuing year. (Budget Committee recommends \$10,000. from Excise Tax Revenue).

ARTICLE 34. To see what sum of money, if any, the town will vote to raise and appropriate for State Aid Road Construction (in addition to the amount regularly raised for Highways and Bridges) under provisions of Title 23, MRSA, Sections 1101, 1103 or 1104. (Budget Committee recommends \$4,398. by taxation).

ARTICLE 35. To see what sum of money, if any, the town will vote to raise and appropriate for the Recreation Program for the ensuing year. (Budget Committee recommends \$3,163.92; \$914.75 from unexpended balance, \$2,249.17 by taxation).

**INTERESTED CITIZENS —  
YOUR PARTICIPATION IS DESIRED —  
SERVE YOUR TOWN**

Your Town Meeting is probably the last segment of true democracy! Attend and bring your Town Report with you. Voters please sit in the main section spectators in the balcony.

The annual search is on for interested citizens to serve on various committees and boards. Perhaps you would like to offer your knowledge and experience to your community. An excellent opportunity to gain first hand knowledge of the functions of the community and to offer ways and means of improving these functions. Each citizen should take a term of appointment and make a contribution to his community.

Contact the Town Manager, 345-2871, if you would consider appointment to one of the following effective April 4th, 1977.

VOLUNTEER FIREMAN

POLICE RESERVE

DOG OFFICER

PUBLIC LIBRARY TRUSTEE

PLANNING BOARD

BUDGET COMMITTEE

ZONING APPEALS BOARD

CONSERVATION COMMISSION

RECREATION COM.

SCHOOL BUILDING STUDY COMMITTEE

ANDROSCOGGIN VALLEY REGIONAL PLANNING
